Dear Shareholder,

Annual General Meeting 2023

I am pleased to send you details of the annual general meeting (the “**AGM**”) of London Stock Exchange Group plc (the “**Company**”), together with the annual report and accounts for the year ended 31 December 2022 (the “**Report and Accounts**”). The AGM will be held on Thursday 27 April 2023 at **10.30 a.m.** at Butchers’ Hall, 87 Bartholomew Close, London EC1A 7EB.

Shareholder registration will be available from 9.30 a.m. Due to security arrangements, we politely suggest you leave a little extra time to register. Please read Note 12 to the Notice of AGM for further information about the security and admissions arrangements in place for the AGM. In particular attendees should bring suitable photo identification, such as a valid passport or government issued driver’s licence or identity card. **A map showing how to get to Butchers’ Hall is set out at the end of my letter on page 11.**

Given the importance of the AGM as part of our shareholder engagement programme, we are pleased to invite shareholders to attend the AGM in person. Shareholders are encouraged to exercise their right to vote by appointing the Chair of the meeting to be their proxy at the AGM in accordance with their instructions. Shareholders should complete and return a form of proxy by the date shown on the form. This will ensure that your vote will be counted. This will not prevent you from attending in person and voting at the meeting should you wish to do so. **Please see paragraphs 2 to 4 of the Notes to the Notice of AGM for further details on how to vote via proxy.**

The following documentation is enclosed with this letter:

- Notice of AGM, which sets out the details of the resolutions to be proposed at the AGM;
- Pink Form of Proxy (and prepaid envelope); and
- Blue AGM Shareholder Admission Card (please bring this with you to the AGM to ensure admission).

The Report and Accounts are available to view and to download electronically at **www.lseg.com/investor-relations**. For those shareholders who have requested to receive a hard copy of the Report and Accounts, then you will also find a copy of the Report and Accounts enclosed.

Resolutions 1 to 21 (inclusive) are proposed as ordinary resolutions. For each of these to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 22 to 26 (inclusive) are proposed as special resolutions. For each of these to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Ordinary Resolutions

Resolution 1

The Directors are required to present the report of the Directors and the accounts of the Company for the year ended 31 December 2022 to shareholders at the AGM. The report of the Directors, the accounts, and the report of the Company's auditors on the accounts and on those parts of the Directors' remuneration report that are capable of being audited are contained within the Report and Accounts. Shareholders are being asked to receive the Report and Accounts.

Resolution 2

Shareholders are being asked to approve a final dividend of 75.3 pence per ordinary share in respect of the financial year ended 31 December 2022. If approved, the recommended final dividend will be paid on 24 May 2023 to ordinary shareholders whose names appear in the register of members at the close of business on 21 April 2023.

Resolution 3

This Resolution seeks approval of the Annual Report on Remuneration, which may be found on pages 117 to 141 of the Report and Accounts and which gives details of your Directors' remuneration for the year ended 31 December 2022 and the annual statement of the Chair of the Remuneration Committee (the "**Statement**"), which may be found on pages 113 to 116 of the Report and Accounts, in each case in accordance with section 439 of the Companies Act 2006.

Resolution 4

This Resolution seeks to approve the Directors' Remuneration Policy (the "**Policy**") which may be found on pages 119 to 126 of the Report and Accounts and sets out the Company's forward-looking Policy on Executive and Non-Executive Directors' remuneration in accordance with section 439A of the Companies Act 2006. The vote on the Policy is a binding vote.

If Resolution 4 is passed it will take effect from the date of the AGM. If the Policy is approved, the Company will not, from the effective date, be able to make a remuneration payment to a current or prospective director or a payment for loss of office to a current or past director, unless that payment is consistent with the Policy or has been approved as an amendment to the Policy by a resolution of the shareholders.

The current Policy was approved by shareholders at the 2020 AGM for a period of up to three years and is therefore required to be put to shareholders for approval at this year's AGM. This Policy has provided strong alignment between executive remuneration and shareholders' long-term interests, and continues to conform to evolving best practice in corporate governance. As the Company approaches the end of the integration period for Refinitiv, and in light of the very early stage of the strategic partnership with Microsoft, the Remuneration Committee has decided to roll forward the current Policy for a further year. During 2023, the Remuneration Committee will continue to review our executive remuneration arrangements to ensure they remain fit for purpose and align to the Company's strategic direction, with the intention of presenting a new Policy to shareholders for approval at the 2024 AGM.

Resolutions 5 to 17

In line with the UK Corporate Governance Code 2018 (the "**Code**"), all Directors of the Company will retire, and the following will be proposed for re-election at the AGM: Dominic Blakemore, Martin Brand, Professor Kathleen DeRose, Tsega Gebreyes, Cressida Hogg CBE, Anna Manz, Dr Val Rahmani, Don Robert, David Schwimmer, Douglas Steenland and Ashok Vaswani. Resolutions 5 to 15 seek your approval to re-elect these individuals as Directors of the Company. Following a formal performance evaluation, the Board considers that each of these Directors continues to be effective and demonstrates commitment to the role, including commitment of time for Board and Committee meetings and any other duties.

William Vereker and Scott Guthrie were appointed as Directors of the Company on 3 October 2022 and 1 February 2023 respectively. Resolutions 16 and 17 seek your approval to elect these individuals as Directors of the Company.

All of the Directors offering themselves for re-election or election have wide business knowledge and bring valuable skills and experience to the Board.

Martin Brand and Douglas Steenland represent Blackstone, and Scott Guthrie represents Microsoft, and therefore these Directors are not considered to be independent under the Code.

The Board has evaluated the independence of the other Non-Executive Directors and, in evaluating Directors' independence, the Board has taken into consideration the guidance provided by the Code. The Board is satisfied that the remaining Non-Executive Directors offering themselves for election or re-election are independent in character and there are no relationships or circumstances which are likely to affect their character or judgement.

Biographies outlining the business knowledge, skills and experience of the Directors seeking election or re-election and why their contribution is, and continues to be, important to the Company's long-term sustainable success are set out in Appendix 1 to this document.

Resolution 18

The auditors of the Company must be re-appointed at each general meeting at which accounts are laid. Resolution 18 seeks to re-appoint Ernst & Young LLP as auditors of the Company, to hold office until the conclusion of the next general meeting at which accounts are laid before the Company.

An assessment of the effectiveness, independence and objectivity of the auditors has been undertaken by the Audit Committee which has recommended to the Board that Ernst & Young LLP be re-appointed as auditors of the Company. Further details of the work carried out by the Audit Committee are set out on pages 105 to 110 of the Report and Accounts for the year ended 31 December 2022.

Resolution 19

Shareholders are being asked to authorise the Directors to determine Ernst & Young LLP's remuneration as auditors.

Resolution 20

The Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by shareholders. The authority conferred on the Directors at last year's annual general meeting under section 551 of the Companies Act 2006 to allot shares or grant rights to subscribe for, or convert any security into, shares in the share capital of the Company expires on the date of the AGM.

Paragraph (a)(i)(A) of this Resolution will, if passed, authorise the Directors to allot the Company's shares or grant rights to subscribe for, or convert any security into, shares in the Company up to a maximum nominal amount of £12,768,220. This amount represents 33.3 per cent. of the Company's existing issued ordinary share capital (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares) as at 16 March 2023, being the latest practicable date prior to publication of the Notice of AGM.

Paragraph (a)(i)(B) of this Resolution authorises the Directors to allot, including the shares referred to in paragraph (a)(i)(A) of this Resolution, further shares up to an aggregate nominal amount of £25,536,440 (representing 66.6 per cent. of the Company's existing issued ordinary share capital (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares) as at 16 March 2023, being the latest practicable date prior to publication of the Notice of AGM) in connection with a pre-emptive offer to existing shareholders (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the offer cannot be made due to legal and practical problems). This is in accordance with the most recent institutional guidelines published by the Investment Association.

As at 16 March 2023, the number of voting ordinary shares in issue was 502,522,811 and the number of Limited-voting Ordinary Shares was 51,124,377 and the Company held 4,596,836 of these voting ordinary shares as treasury shares (representing 0.83 per cent. of the Company's existing issued ordinary share capital (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares) as at 16 March 2023, being the latest practicable date prior to publication of the Notice of AGM).

This authority will expire (unless previously unconditionally renewed, varied, or revoked) on the conclusion of the annual general meeting of the Company next year or 15 months from the date of this Resolution (whichever is earlier). The Board has no current intention to exercise this authority but considers it prudent to maintain the flexibility it provides. It is noted that all Directors will, consistent

with the Company's current practice, be submitted for re-election at the 2024 annual general meeting irrespective of whether the above authority is used.

Resolution 21

This Resolution seeks to grant the authority for the Company and its subsidiaries to make political donations to political parties and independent election candidates, to other political organisations and to incur political expenditure.

It is not the policy of the Company to make political donations of this type and the Directors have no intention of changing that policy or of using the authority for this purpose. However, as a result of the wide definitions in the Companies Act 2006 of matters constituting political donations, normal expenditure (such as expenditure on organisations concerned with matters of public policy, law reform and representation of the business community) and business activities (such as communicating with the government and political parties at local, national and international level on matters vital to the Company's business interests) might be construed as political expenditure or as a donation to a political party, an independent election candidate or other political organisation and fall within the restrictions of the Companies Act 2006.

This Resolution does not purport to authorise any particular donation or expenditure but is expressed in general terms as required by the Companies Act 2006 and is intended to avoid inadvertent infringement of the statute by the Company. The Directors do not intend to use this authority to make political donations within the normal meaning of that expression. If passed, this Resolution would allow the Company and its subsidiaries to make donations to political parties, independent election candidates and other political organisations and to incur political expenditure (as defined in the Companies Act 2006) in accordance with the terms of this Resolution (which include an aggregate limit on such donations and expenditure made or incurred by the Company and its subsidiaries of £100,000 (or the equivalent amount in any other currency)). This Resolution has effect for the period commencing on the date of this Resolution and ending on the conclusion of the Company's next annual general meeting. Any political donation made, or political expenditure incurred, which is more than £2,000 will be disclosed in the Company's annual report and accounts for the year ended 31 December 2023, as required by the Companies Act 2006.

Special Resolutions

Resolutions 22 and 23

Resolution 22 seeks to replace the authority conferred on the Directors at last year's annual general meeting to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares, or sell treasury shares for cash (other than pursuant to an employee share scheme) without application of the pre-emption rights pursuant to section 561 of the Companies Act 2006.

Apart from rights issues or any other pre-emptive offer concerning equity securities, the authority contained in Resolution 22 will be limited to:

- (a) the issue of shares for cash (otherwise than pursuant to paragraph (b) but which includes the sale on a non-pre-emptive basis of any shares held in treasury) up to an aggregate nominal value of £3,830,466 which represents approximately 10 per cent. of the Company's issued share capital (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares) as at 16 March 2023, being the latest practicable date prior to the publication of the Notice of AGM; and
- (b) when any allotment of equity securities is or has been made pursuant to paragraph (a) (a "**paragraph (a) allotment**"), the allotment of equity securities up to an aggregate nominal amount equal to 20 per cent. of the nominal amount of that paragraph (a) allotment, provided that any allotment pursuant to this paragraph (b) is for the purposes of a follow-on offer determined by the Directors to be of a kind contemplated by paragraph 3 of section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of the notice of the meeting.

If given, this authority will expire (unless previously unconditionally renewed, varied, or revoked) on the conclusion of the annual general meeting of the Company next year or, if earlier, 15 months from the date of Resolution 22.

The authority that Resolution 23 would confer is in addition to the authority conferred by Resolution 22. It is limited to:

- (a) the issue of shares for cash (otherwise than pursuant to paragraph (b), but which includes the sale on a non-pre-emptive basis of any shares held in treasury) up to an aggregate nominal value of £3,830,466, which represents approximately a further 10 per cent. of the Company's issued share capital as at 16 March 2023 (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares), being the latest practicable date prior to the publication of the Notice of AGM. This further authority may only be used for an issue of shares for cash for the purposes of financing (or refinancing, if the authority is used within 12 months of the original transaction) a transaction which the Directors determine to be an acquisition or specified capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of the notice of the meeting; and
- (b) when any allotment of equity securities is or has been made pursuant to paragraph (a) (a "**paragraph (a) allotment**"), the allotment of equity securities up to an aggregate nominal amount equal to 20 per cent. of the nominal amount of that paragraph (a) allotment, provided that any allotment pursuant to this paragraph (b) is for the purposes of a follow-on offer determined by the Directors to be of a kind contemplated by paragraph 3 of section 2B of the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of the notice of the meeting.

If given, this authority will expire (unless previously unconditionally renewed, varied, or revoked) on the conclusion of the annual general meeting of the Company next year or, if earlier, 15 months from the date of Resolution 23. The Directors confirm that they will follow the shareholder protections in section 2B and the expected features of a follow-on offer in paragraph 3 of section 2B of the Pre-emption Group's 2022 Statement of Principles.

The Directors have no present intention of exercising either the authority under Resolution 22 or the authority under Resolution 23 and the Company intends to renew each of these authorities annually. A sale of treasury shares will be treated as an issue of shares for the purposes of these Resolutions.

Resolution 24

This Resolution replaces the authority given at last year's annual general meeting for the Company to make market purchases of its own ordinary shares as permitted by the Companies Act 2006. The terms of the authority are set out in this Resolution. Approval of this Resolution would enable the Company to purchase up to a maximum of 55,364,719 ordinary shares of 6^{79/86} pence each in the capital of the Company (representing 10 per cent. of the issued ordinary share capital of the Company (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares) as at 16 March 2023, being the latest practicable date prior to publication of the Notice of AGM). The price per ordinary share that the Company may pay is set at a minimum amount of the nominal value of each ordinary share and a maximum amount of the higher of: (i) 105 per cent. of the average of the previous five business days' middle market prices as derived from the Daily Official List of the London Stock Exchange; and (ii) the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out.

The Directors continually assess the Company's capital management position in accordance with its capital management framework. In certain circumstances, it may be advantageous for the Company to purchase its own shares. The Directors consider it to be desirable for the general authority to be available to provide flexibility in the management of the Company's capital resources. The Directors will only exercise the authority if the Directors believe that such exercise would in their opinion result in an increase in earnings per share and would be likely to promote the success of the Company for the benefit of its shareholders as a whole.

The Company is utilising the authority it obtained at last year's annual general meeting to conduct a share buyback programme to purchase voting ordinary shares with an aggregate value of up to £750 million, as announced on 5 August 2022. As at 16 March 2023, being the latest practicable date, the Company had purchased 6,501,088 voting ordinary shares at an average price of £76.91 per share for a total consideration of £499,999,280 representing 1.17 per cent. of the Company's issued share capital (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares). Of the 6,501,088 shares purchased, 4,596,836 shares

are currently held as treasury shares. The remaining 1,904,252 shares were transferred to the London Stock Exchange Employee Benefit Trust to satisfy awards made under the Company's share plans that are due to vest between 1 March 2023 and 31 March 2024. The buyback programme has been phased in multiple tranches and the third tranche of the buyback is expected to commence on 27 March 2023 and to end no later than 24 July 2023. As such, it will utilise the authority under this Resolution.

Any ordinary shares purchased pursuant to the authority conferred by this Resolution may be cancelled or held by the Company as treasury shares, within the limits allowed by law. Such treasury shares may subsequently be cancelled, sold for cash, or used to satisfy options and awards issued to employees pursuant to the Company's employee share schemes or otherwise disposed of by the Directors in accordance with the requirements of the relevant legislation and the authority relating to rights of pre-emption granted by the shareholders in general meetings.

This authority will expire (unless previously unconditionally renewed, varied, or revoked) on the conclusion of the annual general meeting of the Company next year or, if earlier, 18 months from the date of this Resolution.

The total number of ordinary shares which may be issued on the exercise of outstanding options or vesting of awards as at 16 March 2023, being the latest practicable date prior to publication of the Notice of AGM, is 2,854,619 which represents 0.52 per cent. of the issued ordinary share capital of the Company (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares) as at that date. If the Company were to purchase shares up to the maximum permitted by this Resolution the proportion of ordinary shares subject to outstanding options and awards would represent 0.57 per cent. of the issued ordinary share capital (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares) as at 16 March 2023, being the latest practicable date prior to publication of the Notice of AGM (or 0.61 per cent. if the full authority to purchase shares under this Resolution and Resolution 25 were to be used). There are no warrants outstanding.

Resolution 25

This Resolution would, if approved, give the Company authority to make off-market purchases of voting ordinary shares and/or Limited-voting Ordinary Shares from the Consortium Shareholders (as defined in the Resolution), or their nominee(s). The Consortium Shareholders comprise entities owned by certain investment funds affiliated with Blackstone, an affiliate of Canada Pension Plan Investment Board, an affiliate of GIC Special Investments Pte. Ltd and by Thomson Reuters, collectively the former Refinitiv shareholders.

The Resolution will be proposed as a special resolution and requires the approval of three-quarters of the votes cast at the meeting (in person or by proxy) on the resolution. Under the Companies Act 2006, the Consortium Shareholders are not permitted to vote the ordinary shares to which this Resolution relates (being 4.99 per cent. of the issued ordinary share capital of the Company (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares)). The Consortium Shareholders have, in any event, agreed not to vote any of the ordinary shares held by them at the time of the annual general meeting in respect of this resolution.

Martin Brand and Douglas Steenland, who were appointed to the Board pursuant to the Relationship Agreement entered into with, among others, the Consortium Shareholders on completion of the Refinitiv transaction, have not participated in the Board's consideration of this Resolution and the Directed Buyback Contract (as defined in the Resolution), and will not participate in any decision of the Board as to whether to make off-market purchases pursuant to the terms of the Directed Buyback Contract, given their relationship with the Consortium Shareholders. All such decisions will be made by the remaining members of the Board of the Company (the "**Independent Directors**").

Authority to enter into the Directed Buyback Contract will give the Company the flexibility, if appropriate at the relevant time and with the agreement of the Consortium Shareholders, to reduce the holdings of the Consortium Shareholders in the Company which would otherwise likely be sold into the market in due course. It is currently anticipated that the Company will utilise this authority to conduct one or more off-market purchases of up to a value of £750 million in aggregate by April 2024.

While no final decision has been made, it is unlikely the Company will exercise the flexibility before the current on-market share buyback programme has been completed.

The Independent Directors will only exercise the power to conduct off-market purchases if they conclude at the relevant time it is in the best interests of the Company and its shareholders as a whole. Amongst other things, they will take into account in making any decision whether, in light of the prevailing market conditions, the terms of any purchase are attractive and it is the best use at the time of the Company's surplus cash. Neither the Company nor the Consortium Shareholders would be under any obligation to agree to make such off-market purchases pursuant to the proposed terms of the Directed Buyback Contract. As explained below, it is also likely that the Independent Directors will be required under the FCA's Listing Rules to obtain written confirmation from the Company's sponsor in respect of each buyback that the terms of the relevant market purchase are fair and reasonable as far as shareholders of the Company are concerned.

Under the proposed terms of the Directed Buyback Contract, the Company may agree with the Consortium Shareholders to make off-market purchases of its voting ordinary shares and/or Limited-voting Ordinary Shares at such times and on such number of occasions as the Independent Directors may determine: (a) by way of one or more standalone purchases; (b) in conjunction with any offer or sale by the Consortium Shareholders (or their nominee(s)) by way of or including an institutional placing; or (c) through a broker-managed directed trading programme, subject in each case to certain agreed parameters.

Any such off-market purchases shall be made at a 0.8 per cent. discount to the market price of the voting ordinary shares on the date the ordinary shares are agreed to be purchased, or, if made in conjunction with an institutional placing by the Consortium Shareholders (or their nominee(s)), at the placing or offering price as determined through the offering process, and otherwise on the terms and conditions of the Directed Buyback Contract, as described in further detail below. In the context of any broker-managed directed trading programme, the Consortium Shareholders also have the ability to set a floor price and the Company has the ability to set a price cap, such that shares would still be purchased at a 0.8 per cent. discount to the market price, provided that such price is above the floor price and below the price cap (if applicable).

Any off-market purchase of shares made pursuant to the Directed Buyback Contract will require a waiver of, or an amendment to, certain provisions, including the lock-up arrangements, contained in the Relationship Agreement entered into on completion of the Refinitiv transaction.

Entering into the Directed Buyback Contract with the Consortium Shareholders constitutes a "small" related party transaction under Chapter 11 of the Listing Rules and accordingly the requirements of that Chapter do not apply. Any off-market purchases of shares made under the Directed Buyback Contract are expected to be treated as "smaller" related party transactions under Listing Rule 11.1.10R. Although such purchases will not individually require the approval of independent holders of ordinary shares, certain other requirements will apply, including the likely need for the opinion from the Company's sponsor referred to above.

If the Company wishes to purchase more than 4.99 per cent. of its issued share capital from the Consortium Shareholders in a 12-month period or the transaction would otherwise exceed the "smaller" related party transaction limits set out in the Listing Rules (including when aggregated with any other relevant transactions), the Company will seek approval from its independent shareholders for the relevant arrangements, as required by the Listing Rules, and for any proposed amendment to the Directed Buyback Contract. For this purpose, 'other relevant transactions' will include any on-market purchases of ordinary shares from the Consortium Shareholders or their associates made pursuant to the Company's ongoing on-market buyback programme which take place in the 12 months prior to any off-market purchase of shares made by the Company pursuant to the Directed Buyback Contract.

Under the proposed terms of the Directed Buyback Contract, an off-market purchase from the Consortium Shareholders would only be made if:

- (a) the Resolution has been approved by the requisite majority of shareholders (such that the Directed Buyback Contract may be entered into);

- (b) the price payable by the Company to the Consortium Shareholders (or their nominee(s)) will: (i) be greater than or equal to the nominal value of an ordinary share at the relevant time; and (ii) be less than or equal to the higher of: (A) 105 per cent. of the average of the midmarket quotations for a voting ordinary share as derived from the Daily Official List of the London Stock Exchange for the five trading days immediately preceding the day on which the ordinary share is contracted to be purchased; and (B) the higher of the price of the last independent trade and the highest current independent bid, in each case for a voting ordinary share, on the Main Market;
- (c) the consideration payable by the Company to the Consortium Shareholders (or their nominee(s)) for any off-market purchase does not exceed 4.99 per cent. of the Company's market capitalisation as at the date of the purchase (the "**Consideration Percentage**"), when aggregated with the Consideration Percentage for any other purchases of ordinary shares by the Company from the Consortium Shareholders (or their associates or nominees(s)) within the previous 12 months;
- (d) the number of ordinary shares which the Company proposes to purchase from the Consortium Shareholders (or their nominee(s)) does not exceed, when aggregated with any other purchases of ordinary shares by the Company from the Consortium Shareholders (or their associates or nominees(s)) within the previous 12 months, 4.99 per cent. of the Company's issued ordinary share capital (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares) as at the time of the relevant off-market purchase or as at the date of the Directed Buyback Contract (whichever is lower);
- (e) the proposed off-market purchase will, when aggregated with any other related party transactions entered into between the Company or any member of its corporate group and the Consortium Shareholders (or their associates or nominee(s)) within the previous 12 months and which has not been approved by shareholders, be treated as a "smaller" related party transaction under Listing Rule 11.1.10R; and
- (f) it will not result in the Consortium Shareholders or any person acting in concert with them being required to make a mandatory offer under Rule 9 of the City Code on Takeovers and Mergers.

In addition, an off-market purchase from the Consortium Shareholders in conjunction with an offer or sale by the Consortium Shareholders (or their nominee(s)) of ordinary shares by way of an institutional placing would only be made provided that: (i) the number of ordinary shares which the Company may purchase from the Consortium Shareholders (or their nominee(s)) in such an off-market purchase shall not exceed a number of shares equal to 50 per cent. of the number of ordinary shares which are the subject of the relevant share offering; and (ii) any off-market purchase from the Consortium Shareholders (or their nominee(s)) pursuant to the Directed Buyback Contract will settle immediately following and on the same business day as the settlement of the relevant share offering.

As noted above, whilst the Company would be permitted under the terms of the Directed Buyback Contract to purchase in aggregate up to 4.99 per cent. of its issued share capital from the Consortium Shareholders in a 12-month period (including any shares acquired from the Consortium Shareholders and their associates through on-market purchases), the Company currently anticipates that it will conduct one or more off-market purchases under the contract with an aggregate purchase price of not more than £750 million in aggregate by April 2024.

Any voting ordinary shares purchased off-market pursuant to the authority conferred by this Resolution may be cancelled or held by the Company as treasury shares, within the limits allowed by law. Such treasury shares may subsequently be cancelled, sold for cash, or used to satisfy options and awards issued to employees pursuant to the Company's employee share schemes or otherwise disposed of by the Directors in accordance with the requirements of the relevant legislation and the authority relating to rights of pre-emption granted by the shareholders in general meetings. No dividends will be paid on voting ordinary shares while held in treasury, and no voting rights will attach to them. Any Limited-voting Ordinary Shares purchased off-market pursuant to the authority conferred by this Resolution will be cancelled.

The authority will expire (unless previously unconditionally renewed, varied, or revoked) on the conclusion of the annual general meeting of the Company next year or, if earlier, 18 months from the date of this Resolution.

The total number of ordinary shares which may be issued on the exercise of outstanding options or vesting of awards as at 16 March 2023, being the latest practicable date prior to publication of the Notice of AGM, is 2,854,619 which represents 0.52 per cent. of the issued ordinary share capital of

the Company (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares) as at that date. If the Company were to purchase shares up to the maximum permitted by this Resolution (which as explained above is not currently the intention) the proportion of ordinary shares subject to outstanding options and awards would represent 0.54 per cent. of the issued ordinary share capital (taking into account both the voting ordinary shares and Limited-voting Ordinary Shares in issue, but excluding any treasury shares) as at 16 March 2023, being the latest practicable date prior to publication of the Notice of AGM (or 0.61 per cent. if the full authority to purchase own shares under this Resolution and Resolution 24 were to be used). There are no warrants outstanding.

Resolution 26

This Resolution renews the authority given at last year's annual general meeting for the Company to call general meetings (other than annual general meetings) on 14 clear days' notice. This Resolution is required pursuant to the Companies (Shareholders' Rights) Regulations 2009 which increase the notice period for general meetings of the Company to 21 days, unless shareholders approve the calling of meetings (other than an annual general meeting) on 14 days' notice by an annual special resolution. It is intended that the shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be in the interests of shareholders as a whole. The Company is also required to meet any applicable requirements for electronic voting under the Companies (Shareholders' Rights) Regulations 2009 and the Companies Act 2006 before it can call a general meeting on 14 days' notice. The approval granted by this Resolution will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

Your Vote

You will be able to vote at the AGM either in person if you attend the meeting, or by appointing a proxy in advance of the meeting. You are encouraged to vote on the resolutions in advance of the AGM by completing and submitting the pink Form of Proxy appointing the Chair of the meeting as your proxy, as this will ensure your votes are cast in accordance with your wishes. Please complete the pink Form of Proxy and return it in the prepaid envelope provided (no postage is required if posted within the UK) to the Company's Registrars, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA so as to arrive as soon as possible but in any event not later than 10.30 a.m. on 25 April 2023. Alternatively, if you would prefer to appoint a proxy or proxies electronically, you may do so via the website run by Equiniti at www.sharevote.co.uk using the Voting ID, Task ID and Shareholder Reference Number provided on the pink Form of Proxy or, if you are a CREST member, by following the procedure explained in Note 4 of the Notes to the Notice of AGM. **This will not prevent you from also attending the AGM and voting in person.** Further details relating to voting by proxy are set out in the Notes to this Notice of AGM.

The results of the voting at the AGM will be announced through a Regulatory Information Service and will appear on the Company's website www.lseg.com/investor-relations/shareholder-services/aggm-information following the conclusion of the AGM on 27 April 2023.

Special Resolutions

RESOLUTION 22

That subject to the passing of Resolution 20 and in place of all existing powers the Directors be generally empowered pursuant to sections 570 and 573 of the Companies Act 2006 to allot equity securities (as defined in the Companies Act 2006) for cash, pursuant to the authority conferred by Resolution 19 as if section 561(1) of the Companies Act 2006 did not apply to the allotment. This power:

RESOLUTION 23

That, subject to the passing of Resolution 20 and in addition to any power given to them pursuant to Resolution 22, the Directors be generally empowered pursuant to sections 570 and 573 of the Companies Act 2006 to allot equity securities (as defined in the Companies Act 2006) for cash, pursuant to the authority conferred by Resolution 20 as if section 561(1) of the Companies Act 2006 did not apply to the allotment.  - (i) the allotment of equity securities up to an aggregate nominal amount of £3,830,466 and provided that the allotment is for the purposes of financing (or refinancing, if the power is used within 12 months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of the Notice of AGM; and
 - (ii) when any allotment of equity securities is or has been made pursuant to paragraph (b)(i) (a paragraph (b)(i) allotment), the allotment of additional equity securities up to an aggregate nominal amount equal to 20 per cent. of the nominal amount of that paragraph (b)(i) allotment, provided that any allotment pursuant to this paragraph (b)(ii) is for the purposes of making a follow-on offer determined by the Directors to be of a kind contemplated by paragraph 3 of section 2B of the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of the notice of the meeting.

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Companies Act 2006 as if in the first paragraph of this Resolution the words “pursuant to the authority conferred by Resolution 20” were omitted.

 - (ii) an amount (exclusive of expenses) equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out;
- (d) the authority hereby conferred shall expire at the conclusion of the next annual general meeting of the Company following the passing of this Resolution or 18 months from the date of this Resolution (whichever is earlier), unless such authority is unconditionally renewed pursuant to a resolution taking effect prior to such time; and

- (e) the Company may conclude a contract to purchase ordinary shares under the authority hereby conferred prior to the expiry of such authority which will or may be executed wholly or partly after such expiry, and may make a purchase of ordinary shares in pursuance of any such contract as if the authority hereby conferred had not expired.

RESOLUTION 25

Important Notes to the Notice of AGM

1. Entitlement to Vote

The right to attend and vote at the meeting is determined by reference to the Company's register of shareholders. Only a shareholder entered in the register of shareholders at 6.30 p.m. on 25 April 2023 is entitled to vote at the meeting and a shareholder may vote in respect of the number of voting ordinary shares and/or Limited-voting Ordinary Shares registered in that shareholder's name at that time (noting that the Consortium Shareholders have agreed not to vote on Resolution 25 as set out in paragraph 7 below). Changes to the entries in the register of shareholders after that time shall be disregarded in determining the rights of any person to vote at the meeting.

2. Appointment of a Proxy

Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the AGM. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A pink Form of Proxy which may be used to make such appointment and give proxy instructions for use at the AGM is enclosed.

To be valid, a pink Form of Proxy, duly completed, signed or sealed (as appropriate) and dated must be returned to the Company's Registrars, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA so as to arrive no later than 10.30 a.m. on 25 April 2023.

The pink Form of Proxy must be executed by the shareholder or his or her attorney duly authorised in writing and (in the case of an individual) must be signed by the individual or his or her attorney duly authorised in writing or (in the case of a corporation) be executed either under seal, on its behalf by a duly authorised officer or attorney of the corporation or in any other manner authorised by its constitution.

3. Joint shareholders

In the case of joint registered holders, the signature of one holder will be accepted and the vote of the senior holder who tenders a vote, will be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority will be determined by the order in which the names stand on the register of shareholders of the Company in respect of the relevant joint holding.

4. Voting in advance by proxy

By Post: A shareholder may complete the pink Form of Proxy and return it in the prepaid envelope provided (no postage is required if posted within the UK) to the Company's Registrars, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA.

Online: A shareholder may appoint a proxy or proxies electronically either via the website run by Equiniti at www.sharevote.co.uk using the Voting ID, Task ID and Shareholder Reference Number provided on the pink Form of Proxy. Your proxy must be lodged by 10.30 a.m. on 25 April 2023 in order to be considered valid.

CREST: CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual, which can be viewed at www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a **"CREST Proxy Instruction"**) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by no later than 10.30 a.m. on 25 April 2023. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by

the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST personal members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Proxymity: If you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 10.30 a.m. on 25 April 2023 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

5. Corporate Representative

Any corporation which is a shareholder may appoint one or more corporate representatives who may exercise on its behalf all of its powers, provided that they do not exercise their powers differently in relation to the same shares.

6. Persons Nominated by Shareholders

Any person to whom the Notice of AGM is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "**Nominated Person**") may have a right, under an agreement between him or her and the shareholder by whom he or she was nominated, to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

The statements of the rights of shareholders in relation to the appointment of proxies in subsection 4 above do not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by shareholders of the Company.

7. Issued Capital and Voting Rights

As at 16 March 2023, being the latest practicable date prior to the publication of the Notice of AGM, the Company's issued share capital consisted of 502,522,811 ordinary shares of 6^{79/86} pence each, carrying one vote each, and 51,124,377 Limited-voting Ordinary Shares of 6^{79/86} pence each, carrying one tenth of a vote each. Therefore, the total voting rights in the Company as at 16 March 2023, being the latest practicable date prior to the publication of the Notice of AGM, was 507,635,249.

Under the Companies Act 2006, the Consortium Shareholders are not permitted to vote the ordinary shares to which Resolution 25 relates. The Consortium Shareholders have, in any event, agreed not to vote any of the ordinary shares held by them at the time of the AGM on Resolution 25.

8. Documents available for inspection

The following documents are available for inspection at the registered office of the Company at 10 Paternoster Square, London, EC4M 7LS, during usual business hours on any weekday (public

9. Right to publish a statement about the auditor

Under section 527 of the Companies Act 2006, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the last annual general meeting. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

10. Questions at the AGM

Under section 319A of the Companies Act 2006, shareholders have the right to ask questions at the AGM. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered. If you intend to come to the AGM and would like to ask a question about the business of the meeting, you can also submit questions in advance of the meeting in writing to the Company Secretary at 10 Paternoster Square, London, EC4M 7LS or by email to cosec@lseg.com.

11. Shareholder information

In accordance with section 311A of the Companies Act 2006, the contents of the Notice of AGM, details of the total number of shares in respect of which members are entitled to exercise voting rights at the AGM and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of the Notice of AGM are available to view and to download on the Company's website at www.lseg.com/investor-relations/shareholder-services/agm-information.

Any communication with the Company in relation to the AGM, including in relation to proxies, should be sent to the Company's Registrars, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA. No other means of communication will be accepted. In particular, you may not use any electronic address provided either in the Notice of AGM or in any related documents (including the Report and Accounts for the year ended 31 December 2022, the Form of Proxy or the AGM Shareholder Admission Card) to communicate with the Company for any purposes other than those expressly stated.

In order to access shareholder documents from the Company (including the copies of the Report and Accounts for the year ended 31 December 2022) on the website, you will need to have access to a PC, Mac or device with: (i) Microsoft Edge or equivalent alternative web browser software; and (ii) Adobe Acrobat Reader which can be downloaded free from the Adobe website at: <http://get.adobe.com/uk/reader/>.

12. Security

The safety of our shareholders is always our main priority. The Company will not permit behaviour that may interfere with the security, safety or good order of the AGM, or with the security or safety of any other attendees of the AGM. All attendees should bring suitable photo identification, such as a valid passport or government issued driver's licence or identity card. Attendees of the AGM will be asked to pass through our security systems before entering the meeting and all bags may be checked. No cameras or recording equipment will be permitted at the AGM. All mobile phones and other electronic communication devices should be switched off during the AGM. Guests are not entitled to attend the AGM as of right but may be permitted entry at the absolute discretion of the Company. The Company reserves the right to remove any guest from the AGM at any time during the proceedings at its absolute discretion. Proxies and corporate representatives should bring the authority or power of attorney under which they have been appointed as well as suitable photo identification.
